

Rackla Metals increases previously announced non-brokered private placement

written by Raj Shah | December 19, 2022

December 19, 2022 ([Source](#)) – Rackla Metals Inc. (TSXV-RAK) (the “**Company**”) is pleased to announce that, as a result of strong demand, it has added a hard-dollar unit offering (the “**HD Offering**”) component to its previously announced non-brokered private placement (the “**FT Offering**”, and together with the HD Offering, the “**Offering**”), and has increased the size of the Offering to a minimum of \$3,489,025. The Company now intends to issue (i) 11,365,000 flow-through units (the “**FT Units**”) per the terms described in the December 8, 2022 press release, and (ii) up to 1,250,000 hard-dollar units (the “**HD Units**”) at a price of \$0.20 per HD Unit. Each HD Unit will consist of one common share and one-half warrant. Each whole warrant will entitle the holder to purchase one additional common share of the Company at \$0.35 for two years from the closing date of the financing. All amounts herein are expressed in Canadian dollars.

The proceeds from the HD Offering are intended to be used for general corporate purposes. The Offering is subject to acceptance for filing by the TSX Venture Exchange.

The securities to be offered pursuant to the financing have not been, and will not be, registered under the U.S. Securities Act of 1933, as amended (the “U.S. Securities Act”) or any U.S. state securities laws, and may not be offered or sold in the United States or to, or for the account or benefit of, United States persons absent registration or any applicable exemption from the registration requirements of the U.S. Securities Act and applicable U.S. state securities laws. This news release

shall not constitute an offer to sell or the solicitation of an offer to buy securities in the United States, nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

Forward-Looking Information

Certain statements contained in this news release constitute forward-looking statements within the meaning of Canadian securities legislation. All statements included herein, other than statements of historical fact, are forward-looking statements and include, without limitation, statements about the Company's proposed financing, and future exploration activities. Often, but not always, these forward looking statements can be identified by the use of words such as "estimate", "estimates", "estimated", "potential", "open", "future", "assumed", "projected", "used", "detailed", "has been", "gain", "upgraded", "offset", "limited", "contained", "reflecting", "containing", "remaining", "to be", "periodically", or statements that events, "could" or "should" occur or be achieved and similar expressions, including negative variations.

Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any results, performance or achievements expressed or implied by forward-looking statements. Such uncertainties and factors include, among others, whether stock exchange approval to the financing will be obtained and the financing will be completed as planned; changes in general economic conditions and financial markets; the Company or any joint venture partner not having the financial ability to meet its exploration and development goals; risks associated with the results of exploration and development activities, estimation of mineral resources and the geology, grade and continuity of mineral deposits; unanticipated costs and expenses; and such other risks detailed from time to time in the Company's quarterly and annual filings with securities regulators and available under the Company's profile on SEDAR at www.sedar.com. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended.

Forward-looking statements contained herein are based on the assumptions, beliefs, expectations and opinions of management, including but not limited to: that stock exchange approval to the financing will be obtained and that the financing will be completed as planned; that the Company's stated goals and planned exploration activities at its properties will be achieved; that there will be no material adverse change affecting the Company or its properties; and such other assumptions as set out herein. Forward-looking statements are made as of the date hereof and the Company disclaims any

obligation to update any forward-looking statements, whether as a result of new information, future events or results or otherwise, except as required by law. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, investors should not place undue reliance on forward-looking statements.
