

Red Light Holland Commences Magic Truffles Growth Operation in the Netherlands, Months Ahead of Schedule

written by Raj Shah | August 5, 2020

August 5, 2020 ([Source](#)) – Red Light Holland Corp. (CSE: TRIP) (FSE: 4YX) (“**Red Light Holland**” or the “**Company**”), an Ontario-based corporation positioning itself to engage in the production, growth and sale of a its brand of magic truffles to the legal, recreational market within the Netherlands (initially, in the form of its previously announced Microdosing Packs), is pleased to announce that it has expedited the build out of its approximately 3,000 square feet, custom built, indoor growing, production and distribution facility of the Company, in Horst, the Netherlands (the “**Facility**”) and has commenced growing its first crop of magic truffles.

“After careful research and planning, including working with our staff, consultants and contractors in the Netherlands and sourcing our truffles’ genetics, substrates and the proper equipment, Red Light Holland is ecstatic to announce that we have started to grow our first batch of magic truffles, much quicker than originally anticipated. This is another important milestone for the Company and we are quite proud to be moving along so quickly and efficiently,” said Todd Shapiro, Chief Executive Officer and Director of Red Light Holland.

Red Light Holland is currently growing three different strains of magic truffles, including Psilocybe Mexicana, Psilocybe Galindoi, and Psilocybe Tampanensis, and expects to have an initial batch of approximately 100,000 grams of magic truffles

available in late October, 2020. Once ready, the magic truffles will be harvested over an approximate six week period, in order to be ready for internal testing and ultimately packaging and distribution within the Netherlands.

“This is an exciting day for the Company! I feel like cutting a ribbon to celebrate with our hard working team of consultants and growers behind the scenes who have helped get us to this point so rapidly. We have remained aggressive, despite COVID-19 slowdowns and Red Light Holland’s growth operation has officially begun,” added Hans Derix, President of Red Light Holland (who resides in Horst).
