

Scythian Biosciences Announces Name Change to SOL Global Investments Corp.

written by Raj Shah | June 5, 2018

June 5, 2018 ([Source](#)) – Scythian Biosciences Corp. (the “**Company**” or “**Scythian**”) (TSXV:SCYB) (Frankfurt:[9SB](#)) (OTC – Nasdaq Intl:SCCYF) is pleased to announce that the Company will be changing its name from “Scythian Biosciences

Corp.” to “SOL Global Investments Corp.” The Company will put the name change resolution before its shareholders at its next scheduled annual general meeting, which will be sometime in August 2018. The name change is also subject to approval by the TSX Venture Exchange (“**TSXV**”).

Details of the annual meeting to approve the name change will be set out in the Company’s management information circular that will be mailed to shareholders.

In connection with the name change, the Company has applied to change its trading symbol on the TSXV from “SCYB” to “SOL”.

Rob Reid, CEO of Scythian, said that “SOL Global Investments better reflects our strategy of identifying and developing cultivation assets, nurturing branded products and opening up ancillary opportunities outside of Canada. SOL also embodies a balanced, positive and healthy way of life – something that’s increasingly important today. We look forward to this new chapter in our Company’s development.”

The Company also announces the grant of an aggregate of 480,000 options and 32,646 deferred share units (“DSUs”) to Rob Reid, CEO of the Company. The options were granted at an exercise price of \$4.00 per share and exercisable for a period of five years following the date of grant. 1/3 of the options vest as of the first anniversary following the grant date, 1/3 of the options vest as of the second anniversary following the grant date and the remaining 1/3 of the options vest as of the third anniversary following the grant date.

About Scythian Biosciences Corp.

Scythian is an international cannabis company with a focus on the world’s leading markets outside of Canada. Its fast tracked growth has come through a number strategic initiatives and partnerships in cultivation, distribution and branded products across Europe, United States, South America and the Caribbean. These significant endeavours complement the company’s R&D partnerships with some of the world’s leading universities. It is this comprehensive approach that is positioning Scythian as a future global frontrunner in the medical cannabis industry.
