TSXV: SCYB | OTCQB: SCCYF

February 22, 2018 ([Source](#)) – Scythian Biosciences Corp. (the “Company” or “Scythian”) (TSXV:SCYB) (Frankfurt:[9SB](#)) (OTCQB:SCCYF) is pleased to announce that the Company will ring the closing bell at the Nasdaq Stock Market (“Nasdaq”) on

Thursday, February 22, 2018 to mark the Company’s admission into the Nasdaq International Designation program under the symbol “OTC – Nasdaq Intl: SCCYF”. Through its membership, Scythian will have access to Nasdaq’s investor relations services and unparalleled visibility assets to increase awareness with investors for its securities.

The Nasdaq International Designation will provide Scythian with access to Nasdaq’s investor marketing programs and investor relations services to increase the visibility of Scythian to the US investment community and US market makers.

“We are honored to have the opportunity to ring the closing bell at the Nasdaq on this historic day for Scythian. This Nasdaq International Designation is a precursor to a Nasdaq main board listing which is currently in progress with Nasdaq, and which we anticipate in the near future”, stated Jonathan Gilbert, Scythian’s Chief Executive Officer. Once the Company is formally listed on Nasdaq, it will trade under the symbol

“SCYB.”

The event will take place at the Nasdaq MarketSite in Times Square on Thursday, February 22 from 3:45 p.m. to 4:00 p.m. E.S.T. The ceremony is in honour of the Company’s admission as a Nasdaq International company.

About Scythian Biosciences Corp.

Scythian is a research and development company committed to finding a solution for the prevention and treatment of concussions and traumatic brain injury with its proprietary Cannabinoid combination.

Scythian’s mission is to be the first accepted drug regimen for concussive treatment. Scythian has recently formed a collaboration with the University of Miami and its world-renowned neuroscientific team to conduct pre-clinical and clinical trials of its drug regimen. The University of Miami believes that Scythian’s scientific approach shows significant promise and differs from previous approaches to treat this growing problem. The collaboration with the University of Miami allows access to their extensive knowledge base in the fields of traumatic brain injury and concussions and allows for Scythian’s clinical studies to be undertaken at their world-class facilities.

Gillian A. Hotz, PhD, is leading Scythian’s program at the University of Miami. Dr. Hotz is a nationally recognized behavioral neuroscientist and expert in neurotrauma, concussion management, and neurorehabilitation. She has extensive experience in neurocognitive testing. Dr. Hotz has been the co-director of University of Miami Miller School of Medicine’s Concussion Program since 1995.

Scythian is also endorsed by Pro Football Legends and the World

Boxing Association on its mission.
