September 30, 2019 (Source) – Siyata Mobile Inc. (the "Company" or "Siyata") (TSX-V:SIM / OTCQX:SYATF) is pleased to announce that it has received an additional purchase order from a leading taxi technology distributor. As previously announced on July 22, this customer's original purchase order of $360,000 has been increased to total over $850,000. The customer will equip their taxi drivers with the Company's 4G/LTE rugged Push-to-Talk mobile devices, in addition to its commercial vehicle devices.

Marc Seelenfreund, CEO of Siyata Mobile states, "This is a great customer for us that focuses on the taxi market vertical and is a strong validation for both our commercial vehicle and rugged mobile Push-to-Talk solutions. This additional purchase order aims to provide professional drivers with seamless communication between one another at the push of a button both inside their taxis and on the go."

About Siyata

A TSX Venture Top 50 Company, Siyata Mobile Inc. is a leading global developer and provider of cellular communications systems for enterprise customers, specializing in connected vehicle

products for professional fleets, marketed under the Uniden® Cellular brand. Since developing the world's first 3G connected vehicle device, Siyata has been a pioneer in the industry, launching the world's first LTE all-in-one fleet communications device in 2017. Incorporating voice, push-to-talk over cellular, data, and fleet management solutions into a single vehicle mounted device, the company aims to become the connected vehicle communications device of choice for commercial vehicles and fleets around the world.

Siyata also offers rugged phones for industrial users and signal boosters for homes, buildings, and fleets with poor cell coverage. Siyata's customers include cellular operators, commercial vehicle technology distributors, and fleets of all sizes in Canada, the U.S., Europe, Australia, and the Middle East.
