February 5, 2020 (Source) — Siyata Mobile Inc. (TSX-V:SIM | OTCQX: SYATF) (the "Company" or "Siyata") is pleased to announce that the Company has received a \$600,000 purchase order for its 4G rugged PoC handset devices.

Marc Seelenfreund, CEO of Siyata Mobile, commented, "This is an exciting win for Siyata as it demonstrates the strong continual market demand for our Push-to-Talk over Cellular (PoC) rugged handsets. Our rugged handset devices aim to provide customers with the convenience and ease of a rugged smartphone handset, while offering high speed LTE data services and a large PTT button for seamless communication between enterprise users."

About Siyata

Siyata Mobile Inc. is a global vendor of in-vehicle cellular IoT solutions for first responder and commercial fleet vehicles. The flagship UV350 is the world's first 4G/LTE in-vehicle IoT cellular solution, incorporating voice, data, push-to-talk over cellular, fleet management, and other public safety software to increase situational awareness, and save lives.

Siyata also offers rugged phones for industrial users and signal boosters for homes, buildings, and fleets with poor cell coverage. Siyata's customers include cellular operators, commercial vehicle technology distributors, and fleets of all sizes in Canada, the U.S., Europe, Australia, and the Middle East.
