

Siyata Mobile to Attend US IWCE 2018

written by Raj Shah | March 5, 2018

March 5, 2018 ([Source](#)) – Siyata Mobile Inc. (the “Company” or “Siyata”) (TSX-V:[SIM](#)) (OTCQX:SYATF) is pleased to announce that it will be attending the International Wireless Communications Expo (“**IWCE**”) at booth #2674 on March 5-9, 2018 at the Orange County Convention Centre in Orlando, Florida.

IWCE offers a great opportunity for Siyata to network with peers, customers and vendors, along with showcasing its line of Uniden® Cellular products.

Marc Seelenfreund, CEO and Chairman of Siyata Mobile, commented, “We are excited to be presenting at IWCE for a second year. We will have a strong presence in the show, the premier US two-way radio and Push-to-Talk Over Cellular event in Florida where we will be showcasing our innovative range of Uniden cellular products.”

IWCE features over 380 exhibitors showcasing the latest products and trends in the industry. Over 7,000 individuals attend from a diverse group of industry professionals including government/military, public safety, utility, transportation and business enterprise.

The Uniden® Cellular portfolio bears three 4G/LTE cellular devices. The UV350, the world’s first 4G/LTE all-in-one fleet communications device; the CP250, a connected vehicle tablet/DVR 4G/LTE device built for lighter vehicles and the UR7 HULK. The

UR7 HULK is the most recent addition, along with the Company's recently announced 4G/LTE booster portfolio which are well focused towards the North American markets.

About Siyata

A TSX Venture Top 50 Company, Siyata Mobile Inc. is a leading global developer and provider of cellular communications systems for enterprise customers, specializing in connected vehicle products for professional fleets, marketed under the Uniden® Cellular brand. Since developing the world's first 3G connected vehicle device, Siyata has been a pioneer in the industry, launching the world's first 4G LTE all-in-one fleet communications device in 2017. Incorporating voice, push-to-talk over cellular, data, and fleet management solutions into a single device, the company aims to become the connected vehicle communications device of choice for commercial vehicles and fleets around the world.

Siyata also offers rugged phones for industrial users and signal boosters for homes, buildings, and fleets with poor cell coverage. Siyata's customers include cellular operators, commercial vehicle technology distributors, and fleets of all sizes in Canada, the U.S., Europe, Australia, and the Middle East.
