Spartan Metals Appoints of Rebecca Ball as Vice President, Exploration

written by Raj Shah | October 14, 2025

October 14, 2025 (Source) – Spartan Metals Corp. ("**Spartan**" or the "**Company**") (TSX-V: W) is pleased to announce the appointment of Rebecca Ball as Vice President of Exploration. Ms. Ball has over 10 years of exploration and operations experience covering critical minerals, base and precious metals in diverse geographies and jurisdictions. She has significant expertise in greenfield geological model definition and exploration targeting. Ms. Ball has led the development of McDermitt Lithium stratigraphy and geological models resulting significant expansion of its mineral resource.

Brett Marsh, Spartan's CEO comments, "Having worked with Rebecca for several years, I know her strong technical ability and passion will help drive our upcoming exploration programs as we advance our 100%-owned flagship Eagle tungsten-rubidium project. The Eagle Project has the potential to be a significant source of tungsten and rubidium for the United States and Rebecca is the perfect fit to help Spartan realize that potential."
