About StageZero Life Sciences, Ltd.

StageZero Life Sciences is dedicated to the early detection of

multiple disease states through whole blood. The Company operates a CAP accredited and CLIA certified high complexity reference laboratory based in Richmond, Virginia. A specialist in PCR testing for the early identification of Cancer through blood, the Company is uniquely positioned to provide both COVID PCR testing (live virus) and blood test analysis (Antibody testing). Our full service, telehealth platform includes access to physicians and phlebotomists who can prescribe and draw samples for individuals and groups. As we provide COVID-19 test during this Pandemic, we continue making progress with our mission to eradicate late stage cancers through early detection. Our next generation test, Aristotle®, is a multi-cancer panel for simultaneously screening for 10 cancers from a single sample of blood with high sensitivity and specificity for each cancer. www.stagezerolifesciences.com

Forward-Looking Statements

This press release contains forward-looking statements identified by words such as “expects”, “will” and similar expressions, which reflect the Company’s current expectations regarding future events. The forward-looking statements involve risks and uncertainties that could cause the Company’s actual events to differ materially from those projected herein. Investors should consult the Company’s ongoing quarterly filings and annual reports for additional information on risks and uncertainties relating to these forward-looking statements. The reader is cautioned not to rely on these forward-looking statements. The Company disclaims any obligation to update these forward-looking statements, except as required by law.
