

StageZero Life Sciences to participate in Mercer's new vendor database in the U.S.

written by Raj Shah | January 31, 2020

January 30, 2020 ([Source](#)) – [StageZero Life Sciences, Ltd](#) (TSX:SZLS) (“StageZero” or the “Company”) today announced that it is participating in a Mercer internal vendor intelligence database available to Mercer Consultants to be able to do streamlined

health and benefits vendor research on behalf of their clients in the U.S.

Mercer is a world leader in the health and benefits marketplace, delivering innovative solutions that address the health and wellness needs of organizations and their employees.

StageZero has targeted four pathways to deliver its tests into the US market. Employer groups is one of the pathways and may operate in conjunction with the telehealth program.

“The improved availability of our solution information to Mercer Consultants may help increase our exposure with employers in the U.S. We are very excited to be included in this valuable platform to connect with Mercer consultants.” commented James Howard-Tripp, Chairman and CEO of StageZero.

About StageZero Life Sciences, Ltd.

StageZero Life Sciences is dedicated to the early detection of cancer and multiple disease states through whole blood. Aristotle®, our next generation test, is a panel for simultaneously screening for 10 cancers from a single sample of

blood with high sensitivity and specificity for each cancer. Aristotle is built on our proven and proprietary Sentinel Principle Technology Platform which has been validated on 10,000 patients and used to develop the first liquid biopsy for Colorectal Cancer, with further validation currently underway. In addition to building a pipeline of products for early cancer detection, the Company operates a CAP accredited and CLIA certified reference laboratory based in Richmond, Virginia that offers the ColonSentry® test as well as licensed biomarker tests for lung, breast and prostate cancers.
