

# StageZero Life Sciences to Present at ii6 Summit in Toronto

written by Raj Shah | August 7, 2019

August 7, 2019 ([Source](#)) – [StageZero Life Sciences Ltd](#) (TSX:SZLS) (“StageZero” or the “Company”) today announced that Chairman & CEO, James Howard-Tripp will be presenting at the ii6 Summit, Thursday, August 8 at the Omni King Edward Hotel in

Toronto. The event, which is sponsored by InvestorIntel, gives CEOs an opportunity to present their companies to multiple self-directed, accredited investors.

“We look forward to presenting the StageZero offering to this sophisticated group of investors and to explain our approach to early cancer detection through blood,” said Howard-Tripp. “We are particularly excited to build greater awareness around our next generation test [Aristotle™](#), a test for the simultaneous detection of ten discrete cancers from a single sample of blood.”

## **About StageZero Life Sciences, Ltd.**

StageZero Life Sciences is dedicated to the early detection (Stage 0) of cancer and multiple disease states through whole blood. Our next generation test, Aristotle®, is a multi-cancer panel for simultaneously screening for 10 cancers from a single sample of blood with high sensitivity and specificity for each cancer. Aristotle is built on our proven and proprietary Sentinel Principle Technology Platform which was validated on

10,000 patients and used to develop the first liquid biopsy for Colorectal Cancer. Further validation of Aristotle is currently underway. In addition to building a pipeline of products for early cancer detection, the Company operates a CAP accredited and CLIA certified reference laboratory based in Richmond, Virginia that offers the ColonSentry® test as well as licensed biomarker tests for lung, breast and prostate cancers.
