About StageZero Life Sciences, Ltd.

StageZero Life Sciences is dedicated to the early detection of multiple diseases through whole blood tests. The Company's next-generation test, Aristotle®, is the first-ever multi-cancer

panel for simultaneously screening for 10 cancers from a single sample of blood with high sensitivity and specificity for each cancer. StageZero's full service, telehealth platform includes access to physicians and phlebotomists who can prescribe and draw samples for individuals and groups, and the Company operates a CAP accredited and CLIA certified high-complexity reference laboratory in Richmond, Virginia. In addition, leveraging its specialty in polymerase chain reaction (PCR) testing for the early identification of cancer through blood, StageZero also provides both COVID PCR testing (swab and saliva) and blood test analysis (Antibody testing).
