

Sunvest Minerals Corporate Update

written by Raj Shah | November 15, 2018

☒ November 14, 2018 ([Source](#)) – Sunvest Minerals Corp. (TSX-V: SSS) (“Sunvest Minerals” or the “Company”) announces it has determined to focus its efforts in 2019 on the Clone Gold project located in the Golden Triangle, BC. To this end it has decided to release the McKinnon-Hawkins Gold project back to the vendors at this time.

The Company also announces the resignation of Victor Bradley as Director and Chairman of Sunvest Minerals. The Board thanks Mr. Bradley for his contributions over the years and wishes him well in his future endeavours.

Assays from the summer work program at the Clone Gold project 2018 work program are expected to be released imminently.

ON BEHALF OF THE BOARD

“Mike England”

Mike England, CEO&DIRECTOR
