

# Trinity One Metals Announces Closing of \$5.34 Million Financing Including LIFE Offering and Concurrent Private Placement

written by Raj Shah | March 6, 2026

March 6, 2026 ([Source](#)) – Trinity One Metals Ltd. (TSXV: TOM) (the “**Company**” or “**Trinity One**”) is pleased to announce the closing of its previously announced non-brokered private placement offerings. The Company issued an aggregate of 26,700,000 units (the “**Units**”) at a price of \$0.20 per Unit for gross proceeds of \$5,340,000 across both offerings.

Under the Listed Issuer Financing Exemption offering (the “**LIFE Offering**”), the Company issued 16,700,000 Units for gross proceeds of \$3,340,000. The securities issued under the LIFE Offering are not subject to a statutory hold period in accordance with applicable Canadian securities laws. Under the concurrent private placement (the “**Concurrent Offering**”), the Company issued 10,000,000 Units for gross proceeds of \$2,000,000. The securities issued under the Concurrent Offering are subject to a statutory hold period expiring on July 7, 2026.

Each Unit consists of one common share of the Company and one-half of one transferable common share purchase warrant (each whole warrant, a “**Warrant**”). Each Warrant entitles the holder to acquire one additional common share at an exercise price of \$0.30 for a period of 36 months from the closing date of the LIFE Offering and Concurrent Offering (the “**Closing Date**”), provided that the Warrants may not be exercised for a period of

60 days from the Closing Date.

In connection with the offerings, the Company paid aggregate cash finder's fees of \$259,000 and issued 1,299,000 finder's warrants to certain arm's length finders. These fees represent a 6% cash commission and 6% in finder's warrants based on the proceeds raised and Units sold to subscribers introduced by the respective finders.

The Company intends to use the net proceeds of the offerings to advance exploration, technical evaluation, and project advancement activities across the Company's mineral asset portfolio, including verification and follow-up work on recently acquired properties, historical data verification, target generation, and early-stage field programs, as well as for general working capital and corporate purposes.

**The securities offered have not been, nor will they be, registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws. This news release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.**
