

# TrustBIX Inc. Announces Stock Option Grants

written by Raj Shah | November 11, 2022

November 10, 2022 ([Source](#)) – TrustBIX Inc. (TSXV: TBIX) (OTCQB: TBIXF) (**“TrustBIX” or the “Company”**) announces that, in accordance with the policies of the TSX Venture Exchange, the Board of Directors has approved a grant of stock options to its directors, officers, employees and consultants to purchase an aggregate of up to 3,000,000 common shares pursuant to its stock option plan (“Options”). The Options have an exercise price of \$0.05 per common share and will vest immediately. The Options expire April 30, 2023.

“As the foundation of corporate success is an intentional endeavor requiring a clear sense of purpose and consistent values in delivering great outcomes to our stakeholders, the grant of these equity-based options will suitably incentivize our highly committed team at TrustBIX who see great potential and are committed to developing long-term shareholder value for our Company,” says TrustBIX CEO, Hubert Lau.

## **About TrustBIX (TSXV: TBIX) (OTCQB: TBIXF)**

As an innovative leader, TrustBIX provides agri-food traceability and chain of custody value solutions. The Company’s goal is to create a world where we trust more, waste less and reward sustainable behaviour by addressing consumer and agri-food business demands. The proprietary platform, BIX (Business InfoXchange system), is designed to create trust without compromising privacy through innovative, blockchain-derived use of technology and data. By leveraging BIX and its unique use of incentive solutions, TrustBIX delivers independent validation of food provenance and sustainable production practices within the

supply chain – Gate to Plate®.

ViewTrak Technologies Inc., a wholly owned subsidiary, provides a suite of hardware and software solutions to the livestock industry in Canada, United States, Mexico and China, such as Auction Master Pro, Market Master, Feedlot Solutions and pork grading probes.

The Company's Insight technology offers an edge-to-enterprise supply chain solution that brings asset situational awareness to dealers, equipment fleets, and civil construction managers. The platform allows for the tracking, protection, and identification of movement of assets using self-powered and self-reporting cellular tags and cloud-based suite of tools.

### **Forward-Looking Information**

This press release contains certain forward-looking information and reflects the Company's present assumptions regarding future events. These statements involve known and unknown risks, uncertainties, and other factors that may cause the Company's actual results, levels of activity, performance, and/or achievements to be materially different from any future results, levels of activity, performance, or achievements expressed or implied by these forward-looking statements.

Certain statements contained in this document constitute forward-looking statements and information within the meaning of the applicable Canadian securities legislation. When used in this document, the words "may", "would", "could", "should", "will", "intend", "plan", "propose", "anticipate", "believe", "forecast", "estimate", "expect" and similar expressions used by

any of the Company's management, are intended to identify forward-looking statements. Such statements reflect the Company's internal projections, expectations, future growth, performance and business prospects and opportunities and are based on information currently available to the Company. Since they relate to the Company's current views with respect to future events, they are subject to certain risks, uncertainties and assumptions. Many factors could cause the Company's actual results, performance or achievements to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements. Given these risks and uncertainties, readers are cautioned not to place undue reliance on such forward-looking statements. The Company does not intend, and does not assume any obligation, to update any such factors or to publicly announce the result of any revisions to any of the forward-looking statements contained herein to reflect future results, events or developments except as required by applicable securities legislation, regulations or policies.
