[Valeo Pharma Inc.](#) (CSE: VPH) (OTCQB: VPHIF) (FSE: VP2) (“Valeo” or the “Company”), a Canadian pharmaceutical company, announced today a non-brokered private placement of up to 4,000 unsecured non-convertible debentures units (the “Debenture Units”) at a price of \$1,000 per Debenture Unit for maximum gross proceeds of \$4,000,000 (the “Offering”).

Each Debenture Unit will consist of one (1) unsecured non-convertible debenture of the Company in the principal amount of \$1,000 (each, a “Debenture”) and 200 Class “A” share purchase warrants (each, a “Warrant”). Each Warrant will entitle the holder thereof to purchase one Class “A” Share of the Company (each, a “Share”) at an exercise price of \$1.60 at any time up to 24 months following the closing date of the Offering (the “Closing Date”). The Debentures will mature at the latest 9 months after the closing and will bear interest at a rate of 8% per annum from the date of issue, payable in cash, semi-annually in arrears.

“We are appreciative of the continued support from insiders and investors close to the Company in this placement”, said Steve Saviuk, Valeo’s Chief Executive Officer. “This financing will

strengthen our balance sheet at a time of three important product launches for Valeo, Enerzair® Breezhaler®, Ateectura® Breezhaler® and Redesca™. Commercialized through two distinct sales forces, these products are key drivers to our growth over the coming years”.

The net proceeds of the Offering will be used for working capital and general corporate purposes.

Closing of the Private Placement is expected to occur on or about April 23, 2021 and is subject to regulatory approval including that of the CSE. The Company may pay finder’s fees on the non-insider portion of the Private Placement, in compliance with applicable securities laws. All securities issued in connection with the Private Placement will be subject to a statutory hold period of four months plus one day from the date of issuance in accordance with applicable securities legislation.

The issuance of Convertible Debentures to the insiders will be considered related party transactions within the meaning of Multilateral Instrument 61-101 (“MI 61-101”). The Company intends to rely on the exemptions from the requirements of MI 61-101 in respect of any Insider Participation.
