

VanadiumCorp Resource Inc.: PEA Technical Report Update

written by Raj Shah | April 4, 2018

April 3, 2018 ([Source](#)) – VanadiumCorp Resource Inc. (TSX “VRB”) (the “Company”) wishes to announce it anticipates re-filing an amended PEA technical report for its Lac Dore Project in the next 60 days. The economic analysis and mineral

resources previously disclosed by the Company are not supported by a compliant NI 43-101 technical report and that the estimates should not be relied on until they have been verified and supported by a technical report.

On behalf of the board:

Adriaan Bakker,
President and Chief Executive Officer
