

Viridium Announces Appointment of Dedicated Investor Relations Professional

written by Raj Shah | April 15, 2019

April 15, 2019 ([Source](#)) – Viridium Pacific Group Ltd. (“Viridium” or the “Company”) (TSXV: VIR) (OTC PINK: VIRFF) is pleased to announce the engagement of Judy-Ann Pottinger of Vancouver, British Columbia, to provide comprehensive investor

relations, corporate communications and investor outreach services. Ms. Pottinger will develop and manage Viridium’s corporate communications program to increase awareness of the Company to the investment community including existing shareholders, potential investors, analysts, brokers, Wealth Fund managers and other key influencers interested in the ever-changing and burgeoning Cannabis industry.

Mr. Jay Garnett, Chief Executive Officer, commented “Viridium has made significant strides recently; our premium brands, quality operations and disciplined approach to growth will now be supported with a focused internal communications and outreach program. With Ms. Pottinger’s support and guidance, we will be able to more effectively connect Viridium’s story to the investment community while allowing our Senior Management team to focus on building our business.”

Ms. Pottinger has been involved with Investor Relations for over ten years for both private and publicly traded companies in various sectors including oil and gas, wind and solar energy; successfully raising over \$50 million in private placement

financings. In 2015, she worked as a Registered Dealing Representative with a private equity investment platform, where she sold various private equity offerings to Investment Advisers and accredited high-net-worth retail investors in Canada, the US and Europe.

The Company will pay Ms. Pottinger a monthly consulting fee of \$8,500 for her professional services. The engagement is for an initial three-month term with the option to renew thereafter. Ms. Pottinger does not have any interest, directly or indirectly, in Viridium or its securities, nor any right or intent to acquire such an interest.
