

Viridium Subsidiary, Experion Biotechnologies, to Become Supplier with the British Columbia Liquor Distribution Branch

written by Raj Shah | July 16, 2018

July 16, 2018 ([Source](#)) – Viridium Pacific Group Ltd. (“Viridium” or the “Company”) (TSXV: VIR) (OTCPink: MRRBF) is pleased to announce that its wholly owned subsidiary, Experion Biotechnologies Inc. (“Experion”), has entered into a Memorandum of Understanding (“MOU”) with the British Columbia (“BC”) Liquor Distribution Branch (“LDB”) to supply Experion branded cannabis products for sale in the province’s adult use market once legalization takes effect on October 17, 2018.

“The BC LDB agreement is the first formal supply agreement signed by Experion, making this a big milestone win for the team. We are very proud to be one of the 12 BC-based distributors to join the BC LDB platform,” said Jarrett Malnarich, Chief Executive Officer of Viridium.

Experion will supply the BC market with cannabis products when adult use sale becomes legal on October 17, 2018. Experion will cultivate the products to be supplied to the BC LDB at Experion’s facility outside of Mission, BC. The agreement will allow the Company to improve awareness of Experion and its products as they are distributed in retail stores across BC. Viridium is continuing discussions with additional potential supply partners and hopes to build upon this supply agreement win.

“We are thrilled to be reaching this significant milestone in developing a competitive wholesale assortment for non-medical cannabis,” said Blain Lawson, BC LDB’s general manager and CEO. “The volume, variety and quality of our product assortment speak to the LDB’s commitment to working towards eliminating the illicit market.”
