Visionstate Reports Successful Launch of New Technologies at Bunzl National Sales Conference

written by Raj Shah | May 2, 2025

May 2, 2025 (Source) – Visionstate Corp. (TSXV: VIS) ("Visionstate" or the "Company") is pleased to report on the successful participation in the Bunzl National Sales Conference held last week in Halifax, Nova Scotia. The event provided an excellent platform for Visionstate to introduce two new technology solutions to the Bunzl sales team from across Canada, both of which represent significant new revenue opportunities and are designed for streamlined, easy deployment.

Visionstate officially launched **MIRA**, the Company's new auditing and inspections software based on industry standards. MIRA enables organizations to perform and manage inspections with ease, offering detailed reporting, analytics, and compliance tracking. The Company already has a strong pipeline of opportunities for MIRA, including major grocery chains across Canada.

In addition, Visionstate introduced **WandaLITE**, a simplified version of its flagship Wanda application. WandaLITE is tailored for quick and cost-effective deployment, meeting the requirements of Ontario's newly introduced **Bill 190**, which mandates businesses to provide easy public access to restroom cleaning records. Thousands of businesses in Ontario are affected by this legislation, and WandaLITE offers a turnkey solution to meet the new compliance standards.

“The introduction of MIRA and WandaLITE marks an exciting new chapter for Visionstate,” said Shannon Moore, President of Visionstate Inc. *“These products not only address current market needs but also open significant new revenue streams for the Company. The positive feedback from the Bunzl sales team reinforces our belief that these solutions will see rapid adoption across multiple sectors.”*

The Bunzl National Sales Conference allowed Visionstate to demonstrate its ongoing commitment to innovation and to strengthening its partnership with one of the largest distribution companies in North America.

The Company looks forward to capitalizing on the new opportunities presented by both MIRA and WandaLITE as it continues to expand its footprint across Canada and beyond.

Forward-Looking Statements

Certain information set forth in this material may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, business strategy, use of proceeds, corporate vision, proposed acquisitions, partnerships, joint-ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to

materially differ from any future results or performance expressed or implied by the forward-looking information. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions and dependence upon regulatory approvals. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by securities laws.
