

Visionstate Showcases Wanda at ISSA Show North America in Las Vegas This Week

written by Raj Shah | November 18, 2024

November 18, 2024 ([Source](#)) – Visionstate Corp. (TSXV: VIS) is excited to announce its presence at the ISSA Show North America, taking place this week from November 19 to 21 at the Mandalay Bay Convention Center in Las Vegas. Attendees can visit Visionstate at Booth 559 to explore its innovative Wanda platform and learn more about its cutting-edge solutions for the cleaning and facility management industry.

The ISSA Show North America is the premier event for the global cleaning and facility services industry, renowned for fostering education, innovation, and collaboration. Visionstate is proud to join industry leaders in showcasing advancements that are driving the industry forward.

At the event, Visionstate is demonstrating the full capabilities of Wanda, its flagship platform that tracks cleaning and maintenance tasks to improve safety and operational efficiency in public spaces. The company is also offering live demonstrations of Wanda's integration with IoT hardware, including people counters, environmental sensors, and supply monitoring devices.

Visionstate is further highlighting exciting new features for Wanda, set to launch in Q1 2025, including:

- **Equipment Monitoring and Tracking:** Real-time insights into equipment performance and maintenance.
- **Enhanced Auditing and Inspections:** Tools for improved

compliance and operational reporting.

The company has already scheduled sales meetings during the show and welcomes all attendees to its booth to explore potential partnerships. Visionstate is particularly focused on expanding its distribution network in the US market to bring Wanda's capabilities to a broader audience.

"We're thrilled to be part of the ISSA Show this week," said Shannon Moore, President of Visionstate IoT Inc. "This event is the perfect platform to connect with industry leaders, showcase Wanda's transformative capabilities, and demonstrate the IoT hardware that enhances its functionality."

Visionstate invites all ISSA attendees to stop by Booth 559 for hands-on demonstrations and to discuss opportunities to collaborate.

Forward-Looking Statements

Certain information set forth in this material may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, business strategy, use of proceeds,

corporate vision, proposed acquisitions, partnerships, joint-ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions and dependence upon regulatory approvals. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by securities laws.
