

Visionstate Upsizes Previously Announced Placement to \$550,000 Due to Market Demand

written by Raj Shah | April 4, 2023

April 04, 2023 ([Source](#)) – Visionstate Corp. (TSXV:VIS) (“Visionstate”) is pleased to announce that due to strong investor demand it has increased the size of the previously announced non-brokered private placement offering of units (“Units”) to \$550,000 or up to 27,500,000 units, at a price of \$.02 per Unit, subject to regulatory approval. Each Unit is comprised of one (1) common share in the capital of Visionstate Corp. (VIS) and one (1) common share purchase warrant at \$0.05 cents for a period of 24 months from the date of closing.

The closing of the offering is subject to certain conditions, including but not limited to, the receipt of all regulatory approvals, including the acceptance of the TSX Venture Exchange. The securities issued under the offering will be subject to the standard four-month hold.

Visionstate intends to use the proceeds from the Private Placement to invest in corporate development and awareness, general operating capital, marketing and sales to expand internationally, and to acquire an OTC listing in the US.

About Visionstate Corp.

Visionstate Corp. (TSXV: VIS) is a growth-oriented company that invests in the research and development of promising new technology in the realm of the Internet of Things, big data and analytics, and sustainability. Through Visionstate IoT Inc., it
