West High Yield (W.H.Y.) Resources Ltd. Announces Stock Option Grant

written by Raj Shah | October 6, 2025

October 6, 2025 (Source) – West High Yield (W.H.Y.) Resources Ltd. (TSXV: WHY) (FSE: W0H) (the "**Company**" or "**West High Yield**") is pleased to announce that its board of directors approved and authorized the grant and issuance of a total of 385,000 stock options (each an "**Option**" and collectively, the "**Options**") effective October 6, 2025.

The Options were issued to 10 separate consultants of the Company. One (1) Option entitles the holder thereof to purchase one (1) common share of the Company (each a "**Share**" and collectively, the "**Shares**"). All of the Options vest on their date of grant and have a term of ten (10) years from their date of grant. The exercise price of the Options was set at CAD$0.40 per Share, which was the closing trading price of the Shares on the TSX Venture Exchange (the "**TSXV**") on the date the Options were granted and issued.

The grant and issuance of the Options is subject to the approval of the TSXV. All of the Options are subject to a four month and one day hold period from the date of issuance under Canadian securities legislation.

About West High Yield

West High Yield is a publicly traded junior mining exploration and development company focused on acquiring, exploring, and developing mineral resource properties in Canada. Its primary objective is to develop its world-class Record Ridge critical

mineral (magnesium, silica, and nickel) deposit using green processing techniques to minimize waste and CO_2 emissions.

The Company's Record Ridge critical mineral deposit located 10 kilometers southwest of Rossland, British Columbia has approximately 10.6 million tonnes of contained magnesium based on an independently produced *National Instrument 43-101* – Standards of Disclosure for Mineral Projects ("**NI 43-101**") Preliminary Economic Assessment technical report (titled "Revised NI 43-101 Technical Report Preliminary Economic Assessment Record Ridge Project, British Columbia, Canada") prepared by SRK Consulting (Canada) Inc. on April 18, 2013 in accordance with NI 43-101 and which can be found on the Company's profile at https://www.sedarplus.ca.

Cautionary Note Regarding Forward-looking Information

This press release contains forward-looking statements and forward-looking information within the meaning of Canadian

securities legislation. The forward-looking statements and information are based on certain key expectations and assumptions made by the Company. Although the Company believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward-looking statements and information because the Company can give no assurance that they will prove to be correct.

Forward-looking information is based on the opinions and estimates of management at the date the statements are made and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking information. Some of the risks and other factors that could cause the results to differ materially from those expressed in the forward-looking information include, but are not limited to: general economic conditions in Canada and globally; industry conditions, including governmental regulation; failure to obtain industry partner and other third party consents and approvals, if and when required; the availability of capital on acceptable terms; the need to obtain required approvals from regulatory authorities; and other factors. Readers are cautioned that this list of risk factors should not be construed as exhaustive.

Readers are cautioned not to place undue reliance on this forward-looking information, which is given as of the date hereof, and to not use such forward-looking information for anything other than its intended purpose. The Company undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable law.

This press release does not constitute an offer to sell or a solicitation of an offer to buy any securities in the United

*States. The securities of the Company will not be registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**") and may not be offered or sold within the United States or to, or for the account or benefit of U.S. persons except in certain transactions exempt from the registration requirements of the U.S. Securities Act.*

NEITHER THE TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.
