West Red Lake Gold Mines is a Toronto-based minerals exploration company focused on gold exploration and development in the prolific Red Lake Gold District of Northwest Ontario, Canada. The Red Lake Gold District is host to some of the richest gold deposits in the world and has produced 30 million ounces of gold from high grade zones. The Company has assembled a significant property position totalling 3,100 hectares in west Red Lake (the “West Red Lake Project”) which contains three former gold mines. The Mount Jamie Mine and Red Summit Mine properties are 100% owned by the Company and the Rowan Mine property is held in a 62%/38% joint venture with Evolution Mining Limited. The West Red Lake Project property covers a 12 kilometre strike length along the Pipestone Bay St Paul Deformation Zone and the Company plans to continue to explore the property both along strike and

to depth.
