

ZEN Graphene Solutions Ltd. Announces COVID-19 Protocols for Annual General Meeting of Shareholders

written by Raj Shah | September 14, 2021

September 14, 2021 ([Source](#)) – **ZEN Graphene Solutions Ltd.** (“ZEN” or the “Company”) (TSXV:ZEN)(OTC PINK:ZENYF), a Canadian, nanotechnology company focused on next-gen healthcare solutions, would like to notify shareholders that have registered and received confirmations that they are welcome to attend the Company’s Annual General Meeting (AGM) of shareholders on September 27, 2021. Due to COVID-19 and its threat to the community, we are required to follow certain procedures at our upcoming AGM that are aligned with the requirements laid out by public health authorities, the venue provider and the company’s policy to keep everyone safe.

ZEN’s AGM will occur at 4:00 pm EST on Monday, September 27 in Guelph, Ontario at the Delta Hotels Guelph Conference Centre, 50 Stone Road West. Seating will incorporate appropriate social distancing measures.

Physical attendance requests pursuant to the press release dated August 26, 2021, have been accepted on a first-come, first-served basis. Seating confirmation will be sent by the Company on September 24th. It is required that all attendees wear a face covering in all public areas of the venue and practice social distancing, staying at least six feet or two meters from others and it will be mandatory to bring proof of full vaccination for COVID-19 to gain entry. If you do not receive a confirmation email on September 24, we ask that you do not attend the AGM in

person.

Management expects the formal corporate requirements of the annual general meeting will be concluded in approximately 45 minutes. Following the conclusion of the corporate requirements, management will host a presentation to shareholders and others followed by a question-and-answer period. The AGM and the presentation will be available via webinar. Management will conduct the webinar from the AGM venue and shareholders attending are asked to remain in the meeting venue throughout the webinar.

Webinar attendees should register at least 24 hours in advance at ZEN Graphene Solutions Ltd. – 2021 Annual General Meeting on Sep 27, 2021, 4:00 PM EDT at:

<https://attendee.gotowebinar.com/register/1995265476902336272>

After registering, you will receive a confirmation email containing information about joining the webinar.

Webinar attendees will be able to hear and view management, see the presentations, download relevant material and ask questions. A recording of the webinar will also be posted on the Company's website.

About ZEN Graphene Solutions Ltd.

ZEN is a nanotechnology company developing and commercializing next-gen healthcare solutions in the areas of prevention, detection, and treatment. ZEN is currently focused on commercializing **ZENGuard™**, a patent-pending coating with 99% antimicrobial activity, including against COVID-19, and the potential to use similar compounds as pharmaceutical products against infectious diseases. The company also has an exclusive agreement to be the global commercializing partner for a newly

developed, highly scalable, aptamer-based rapid pathogen detection technology.
