ZEN Graphene Solutions Ltd. Announces COVID-19 Protocols for Annual Meeting of Shareholders

written by Raj Shah | September 22, 2020 September 22, 2020 (Source) — ZEN Graphene Solutions Ltd. (TSXV: ZEN) ("ZEN" or the "Company") Shareholders are welcome to attend the Company's annual meeting of shareholders on September 28, 2020. Due to COVID-19 and its threats to the community we are required to follow new procedures at our upcoming annual meeting of shareholders. Those procedures are described below and were designed within the requirements laid out by public health authorities and the venue provider.

ZEN's annual meeting of shareholders will occur 4:00 pm (EST) on Monday September 28 at the Delta Guelph Hotel and Conference Centre, 50 Stone Road West, Guelph, ON. Seating available for shareholders and others is limited by social distancing requirements to 40.

Those 40 seats are open to those who make a request via email at info@zengraphene.com. Requests will be accepted on first come first served basis beginning at 5:00pm (EST) on September 22. Only one seat can be requested per email. Seating confirmation will be sent by the Company on September 24. It is required that all attendees wear a face covering in all public areas of the venue and practice social distancing, staying at least six feet or two meters from others. If you do not receive a confirmation email on September 24, we ask that you do not attend the annual meeting in person.

Management expects that the formal corporate requirements of the annual meeting will be promptly concluded. Following the conclusion of the corporate requirements, but no earlier than 4:45pm (EST) management will host a webinar conducting management presentations to shareholders and others followed by a Q&A. Management will conduct the webinar from the annual meeting venue and shareholders attending the annual meeting are asked to remain in the meeting venue throughout the webinar. ZEN has chosen GotoMeeting as software vendor to support the webinar presentation.

Shareholders need to register at least 24 hours in advance for the webinar at https://attendee.gotowebinar.com/register/2278795432949683212. Webinar attendees will be able to hear and view management, see the presentations, download relevant materials and ask questions. A recording of the webinar will be also be posted later on the Company's website.

About ZEN Graphene Solutions Ltd.

ZEN is a graphene technology solutions company with a focus on the development of graphene-based nanomaterial products and applications. The unique Albany Graphite Project provides the company with a potential competitive advantage in the graphene market as independent labs in Japan, UK, Israel, USA and Canada have independently demonstrated that ZEN's Albany Pure™ Graphite is an ideal precursor material which easily converts (exfoliates) to graphene, using a variety of mechanical, chemical and electrochemical methods.
