

Zentek Welcomes Ravi Kaza to Advisory Board

written by Raj Shah | March 8, 2022

March 8, 2022 ([Source](#)) – **Zentek Ltd.** (“ZEN” or the “Company”) (TSXV:ZEN)(OTC PINK:ZENYF), a Canadian IP development and commercialization company focused on next-gen healthcare solutions, today announces the addition of Mr. Ravi Kaza to its Advisory Board.

Mr. Kaza graduated from The Wharton School of the University of Pennsylvania with a BS in Finance Summa Cum Laude at age 19 and has spent the last 25 years consistently focused on disruptive technologies. He started his career in Silicon Valley at a prominent investment banking group founded by Frank Quattrone where he worked on numerous transactions involving companies such as Amazon, Apple, Northern Telcom, and Lam Research. Mr. Kaza then entered the money management business as a Vice President at Pequot Capital Management, at the time one of the world’s largest alternative asset managers with a focus on technology investing. He was then hired by Stanley Druckenmiller as a Managing Director at Duquesne Capital Management to focus primarily on technology investing.

In 2003, Mr. Kaza founded Seasons Capital Management, which he helped grow into a multi-billion-dollar alternative investment manager that oversaw several technology-related investment strategies. In 2010, Mr. Kaza shifted his focus to running primarily internal capital with a continued primary focus on disruptive technologies. Consistent with this focus, Mr. Kaza was introduced to the Zentek management team during the Summer of 2021, when he became a shareholder.

“We are thrilled to have Mr. Ravi Kaza join our Advisory Board,”

Greg Fenton, CEO of Zentek commented. “Ravi has a remarkable track record working with and investing in companies with highly disruptive and scalable technologies. His experience and guidance will be extremely valuable to Zentek moving forward.”

About Zentek Ltd.

Zentek is an IP development and commercialization company focused on next-gen healthcare solutions in the areas of prevention, detection and treatment. Zentek is commercializing Zen**GUARD**™, a patent-pending coating with 99% antimicrobial activity, including against COVID-19, and the potential to use similar compounds as pharmaceutical products against infectious diseases. The Company also has an exclusive agreement to be the global exclusive commercializing partner for a newly developed, highly scalable, aptamer-based rapid pathogen detection technology.
