Bundeep Singh Rangar of Fineqia International talks about bringing innovation to the digital asset economy

written by InvestorNews | January 30, 2023 In this InvestorIntel interview, Tracy Weslosky talks to <u>Fineqia International Inc.</u>'s (CSE: FNQ) CEO and Director Bundeep Singh Rangar about how Fineqia is bringing innovation to the emerging digital asset economy. As a publicly listed and regulated company, Bundeep explains how Fineqia provides investors with exposure to digital assets such as cryptocurrencies, NFTs, Exchange Traded Products and blockchain through its growing portfolio of fintech and technology companies.

Bundeep also discusses how digital assets can not only provide exposure to price appreciation of cryptocurrencies but also generate yield along the way. Speaking about the expectation of significant revenue growth in music in the coming years, Bundeep discusses music NFTs which provide part ownership of a music track and also have an income generating component in the form of royalty streams. Bundeep also tells Tracy about the increased investor interest in their recently closed private placement.

Disclaimer: Fineqia International Inc. is an advertorial member of InvestorIntel Corp.

This interview, which was produced by InvestorIntel Corp., (IIC), does not contain, nor does it purport to contain, a summary of all the material information concerning the "Company" being interviewed. IIC offers no representations or warranties that any of the information contained in this interview is accurate or complete.

This presentation may contain "forward-looking statements" within the meaning of applicable Canadian securities legislation. Forward-looking statements are based on the opinions and assumptions of the management of the Company as of the date made. They are inherently susceptible to uncertainty and other factors that could cause actual events/results to differ materially from these forward-looking statements. Additional risks and uncertainties, including those that the Company does not know about now or that it currently deems immaterial, may also adversely affect the Company's business or any investment therein.

Any projections given are principally intended for use as objectives and are not intended, and should not be taken, as assurances that the projected results will be obtained by the Company. The assumptions used may not prove to be accurate and a potential decline in the Company's financial condition or

results of operations may negatively impact the value of its securities. Prospective investors are urged to review the Company's profile on Sedar.com and to carry out independent investigations in order to determine their interest in investing in the Company.
