

Fineqia's Bundeep Singh Rangar on the influence of digital currency in shaping the future of finance

written by InvestorNews | April 12, 2024

[Fineqia International Inc.](#) (CSE: FNQ | OTC: FNQQF | FSE: FNQA) continues to solidify its position as a leading player in the digital asset and fintech investment landscape with recent notable developments.

On April 11, 2024, Fineqia CEO Bundeep Singh Rangar was [appointed](#) to the jury panel for the Meet the Drapers startup competition, a prestigious event with a \$10 million prize pool. Rangar's participation underscores Fineqia's commitment to supporting innovation and entrepreneurship, particularly in blockchain, decentralized finance (DeFi), and emerging technologies.

The Meet the Drapers competition, scheduled during Paris Blockchain Week, provides a platform for startups to showcase their groundbreaking ideas. Rangar's involvement alongside distinguished experts like Tim Draper highlights Fineqia's influence in shaping the future of finance.

In another strategic move, Fineqia [announced](#) its equity allocation in Valuex AG, aligning with its investment strategy focused on decentralization technologies, Web 3.0, and Artificial Intelligence. This investment further strengthens Fineqia's portfolio of companies and its commitment to fostering innovation in the global market.

Furthermore, Fineqia's [analysis](#) of global Exchange Traded Products (ETPs) with digital assets as underlying collateral reveals a significant surge in Assets Under Management (AUM) in Q1 2024. The approval of BTC Spot ETFs in the United States has driven substantial capital inflow into financial products with underlying digital assets, highlighting the growing investor enthusiasm for cryptocurrencies.

The company's CEO, Bundeep Singh Rangar, notes the steady stream of investor interest following the SEC's approval of Bitcoin ETFs and anticipates continued growth in BTC's price amid expectations of further increases. The impressive performance of ETPs holding BTC as underlying assets underscores the impact of recent market developments on Fineqia's investment strategies.

In conclusion, Fineqia International Inc. remains at the forefront of digital asset investment and fintech innovation, leveraging strategic investments, expert leadership, and in-depth market analysis to drive growth and value creation in the global financial landscape.
