Established in 1995, Nerds On Site stands as a leading provider of managed IT and cybersecurity services for both businesses and individuals throughout North America. The company boasts a vast network of proficient IT professionals and excels in providing secure, scalable, and economical technology solutions. Utilizing its exclusive ERP system named IAMANERD, Nerds On Site optimizes its operations, enhances the quality of its service delivery, and provides uninterrupted IT support to clients across various sectors. With a strong focus on innovation, the company is actively broadening its services in cybersecurity, risk management, and remote IT solutions to address the dynamic requirements of its clients in a digitally transforming landscape.

In preparation for tomorrow's InvestorTalk, here are the three most recent news releases from Nerds On Site for your review, which are listed below:

- January 30, 2025 – Nerds On Site Inc. Reports Continued

Growth and Strategic Advancements in Cybersecurity and IT Services in Q2 2025 – [click here](#)

- October 30, 2024 – Nerds On Site Announces Q1 Growth and New Initiatives for the Remainder of 2024 – [click here](#)
- September 30, 2024 – Nerds On Site Reports Positive Financial Momentum in Fiscal Year Ended May 31, 2024 – [click here](#)

Here are 5 key data points from their latest news release titled, *“Nerds On Site Inc. Reports Continued Growth and Strategic Advancements in Cybersecurity and IT Services in Q2 2025”*:

- **Quarterly Revenue Growth:** For the three months ended November 30, 2024, total revenue reached \$2,847,555, up by 2% compared to the same period in 2023.
- **Six-Month Financial Performance:** For the six-month period, total revenue climbed to \$5,513,834, marking a 5% increase year over year, with a gross margin of approximately 26.6%.
- **Rise in Expenses:** Selling, general, and administrative expenses for the three months increased by 13% (to \$904,420), while they rose 10% (to \$1,812,276) over the six-month span, reflecting investments in new divisions and initiatives.
- **Net Loss:** Nerds reported a net loss of \$97,513 for the three-month period and \$361,055 for the six-month period, driven primarily by expansion-related costs.
- **Strategic Expansion:** Alongside financial growth, Nerds launched new offerings–Nerds On Line (unlimited remote IT support for home/SOHO) and NOS Technical Services Inc. (augmented IT placement services)–and is rolling out a North America-wide marketing campaign following 150% growth in its National Project Program.
