- January 30, 2025 – Nerds On Site Inc. Reports Continued

Growth and Strategic Advancements in Cybersecurity and IT Services in Q2 2025 – [click here](#)

We found the June 24th news release titled, “*Nerds On Site Inc. Reports Over 10% Revenue Growth in Q4 Fiscal 2025; Gross Profits Rise 2% (UNAUDITED)*” particularly noteworthy and here are 5 key data points from it:

- **Revenue Growth** – Q4 FY2025 revenues increased by over 10% year-over-year, driven by rising demand for IT support, cybersecurity, and remote/hybrid work solutions.
- **Gross Profit Increase** – Gross profit improved by 2% compared to Q4 FY2024, supported by stronger margin management and a mix of on-site and remote services.
- **U.S. Expansion** – Revenues from the United States are growing significantly, supported by Nerds On Site USA and the newly established NOS Technical Services division.
- **Client Retention & Verticals** – Strong retention and growth in key industries such as legal, healthcare, and logistics, where 24/7 IT availability and data security are critical.
- **Strategic Initiatives** – Company is piloting Private AI LLMs as part of its Sovereign Data Custody™ cybersecurity program, while focusing on U.S. client expansion, cybersecurity leadership, and margin optimization as its three strategic pillars.
