Established in 1995, Nerds On Site stands as a leading provider of managed IT and cybersecurity services for both businesses and individuals throughout North America. The company boasts a vast network of proficient IT professionals and excels in providing secure, scalable, and economical technology solutions. Utilizing its exclusive ERP system named IAMANERD, Nerds On Site optimizes its operations, enhances the quality of its service delivery, and provides uninterrupted IT support to clients across various sectors. With a strong focus on innovation, the company is actively broadening its services in cybersecurity, risk management, and remote IT solutions to address the dynamic requirements of its clients in a digitally transforming landscape.

In preparation for tomorrow's InvestorTalk, here are the three most recent news releases from Nerds On Site for your review, which are listed below:

- January 30, 2025 – Nerds On Site Inc. Reports Continued

Growth and Strategic Advancements in Cybersecurity and IT Services in Q2 2025 – [click here](#)

- October 30, 2024 – Nerds On Site Announces Q1 Growth and New Initiatives for the Remainder of 2024 – [click here](#)
- September 30, 2024 – Nerds On Site Reports Positive Financial Momentum in Fiscal Year Ended May 31, 2024 – [click here](#)

Here are 5 key data points from their latest news release titled, “*Nerds On Site Inc. Reports Continued Growth and Strategic Advancements in Cybersecurity and IT Services in Q2 2025*”:

▪ **Revenue Growth:**

- Q2 2025 revenue reached \$2.85 million, a 2% increase YoY.
- First six months revenue totaled \$5.51 million, up 5% YoY, driven by higher recurring revenue from Canadian business clients.

▪ **New Divisions and Services:**

- Launched Nerds On Line, offering unlimited remote IT support for home and SOHO clients. Created NOS Technical Services Inc., focused on augmented IT placement services.
- Initiated a national Canada/USA marketing campaign to expand its National Project Program, which grew 150% in 2024.

▪ **Profitability and Expenses:**

- Gross profit for H1 2025 was \$1.46 million (gross margin ~26.6%).
- Net loss for Q2 and H1 was \$97.5K and \$361K,

respectively, primarily due to increased SG&A and payroll costs from new business initiatives.

▪ **Client Base and Market Performance:**

- Canadian business customer base grew 5%, contributing to recurring revenue growth.
- U.S. market expansion continues but lags expectations due to slower brand adoption.

▪ **Strategic Focus and Outlook:**

- Actively investing in cybersecurity and risk management services.
- Management remains focused on long-term sustainable growth, customer base expansion, and enhancing the proprietary IAMANERD ERP platform for operational efficiency.
