written by InvestorNews | June 17, 2025

InvestorNews.com is pleased to announce an upcoming **InvestorTalk** scheduled for tomorrow, **Wednesday, June 18th, at 9 AM EST**, featuring **John Putters**, CEO and Director of [Visionstate Corp.](#) (TSXV: VIS). To participate in this engaging discussion, please [click here](#)

Visionstate Corp. is a growth-oriented company that invests in the research and development of promising new technology in the realm of the Internet of Things, big data and analytics, and sustainability. Visionstate IoT Inc. is a wholly-owned subsidiary of Visionstate Corp. Through Visionstate IoT Inc., it helps businesses improve operational efficiencies, reduce costs, and elevate customer satisfaction with its state-of-the-art devices that track and monitor guest activities and requests. The footprint of its WANDA™ smart device now extends to hospitals, airports, shopping centres, and other public facilities across and beyond North America. Through building up a collection of synergistic technologies, Visionstate Corp. will continue to innovate, reduce environmental impact, and transform consumer experiences.

In preparation for tomorrow's InvestorTalk, here are the four most recent news releases from Visionstate for your review, which are listed below:

- June 12, 2025 – Visionstate Corp. Announces First WandaLITE Deployment Outside Ontario Amid Growing Demand – [click here](#)
- June 5, 2025 – Visionstate Launches MIRA to Digitize Facility Inspections and Expand SaaS Platform – [click here](#)
- May 22, 2025 – Visionstate Capitalizes on Ontario's Bill 190 with Surge in Demand for WandaLITE – [click here](#)
- May 2, 2025 – Visionstate Reports Successful Launch of New Technologies at Bunzl National Sales Conference – [click here](#)

Here are 5 key data points from their June 12th news release titled, *"Visionstate Corp. Announces First WandaLITE Deployment Outside Ontario Amid Growing Demand"*:

- **First WandaLITE Deployment Outside Ontario:** Visionstate Corp. has completed its first WandaLITE installation outside of Ontario at a regional airport, marking the start of national expansion for the product.
- **Strong Product Demand Across Sectors:** Originally created to comply with Ontario's Bill 190, WandaLITE has gained traction in sectors such as healthcare, education, transportation, and retail due to its simplicity and data-driven capabilities.
- **AI System Nearing Prototype Stage:** Visionstate, in collaboration with the Alberta Machine Intelligence Institute (AMII), is developing an AI system to optimize cleaning routes, incorporating variables like staffing, layout, and protocols for predictive task scheduling.
- **Enhanced Transparency and Accountability:** WandaLITE provides a mobile-based interface for logging cleaning activity and includes a public-facing QR code for viewing cleaning history, building trust and compliance.

- **Integration Plans with Wanda Platform:** Once development is complete, the AI system will be integrated into Visionstate's Wanda platform, enabling predictive scheduling and real-time task management to further enhance operational efficiency.
