Court approves convening of Scheme Meetings and Dispatch of Scheme Booklet

Australian Strategic Materials Limited (**ASM**) provides the following update in relation to the proposed acquisition by EFR Critical Materials Pty Ltd, a wholly owned subsidiary of Energy Fuels Inc. (**Energy Fuels**), to acquire 100% of the fully paid ordinary shares of ASM by way of a members' scheme of arrangement (**Share Scheme**) and 100% of ASM's quoted options (ASX:ASMO) by way of a separate but concurrent creditors' scheme of arrangement (**Option Scheme**), both under Part 5.1 of the *Corporations Act 2001* (Cth) (together, the **Schemes**).

Capitalised terms used in this announcement have the same meaning given to them in the amended and restated Scheme Implementation Deed released to ASX on 13 March 2026 (Scheme Implementation Deed), unless context otherwise requires.

Court orders

Today, the Federal Court of Australia, Western Australia Registry made the following orders in relation to the Schemes:

- that a meeting of ASM Shareholders be convened to consider and vote on the Share Scheme (**Share Scheme Meeting**);
- that a meeting of ASM Optionholders be convened to consider and vote on the Option Scheme (**Option Scheme Meeting**, and together with the Share Scheme Meeting, the **Scheme Meetings**); and
- that an explanatory statement which includes information about the Schemes together with the notices of the Share Scheme Meeting and Option Scheme Meeting (**Scheme Booklet**) be dispatched to ASM Securityholders.

Scheme Booklet

The Scheme Booklet will shortly be registered with the Australian Securities and Investments Commission (**ASIC**). Following this, ASM will release a copy of the Scheme Booklet to ASX and make a copy of the Scheme Booklet available on ASM's website at <https://asm-au.com/>.

Dispatch of the Scheme Booklet to ASM Securityholders is expected to be completed on or around 21 May 2026 as follows:

- ASM Securityholders who have elected to receive electronic communications from ASM will receive an email containing instructions about how to access and download a copy of the Scheme Booklet and for

ASM Shareholders, how to access, complete and lodge their election form for the scrip consideration, as well as instructions on how to access and lodge their proxy vote for the Scheme Meetings online;

- ASM Securityholders who have expressly elected to receive physical shareholder communications from ASM will be sent (by post) a printed copy of the Scheme Booklet which contains details on how to access, complete and lodge the shareholder election form for the scrip consideration, together with a personalised proxy form for the Share Scheme Meeting and/or the Option Scheme Meeting (as applicable).
- All other ASM Securityholders will be sent a letter (by post) containing instructions on how to access and download the Scheme Booklet and for ASM Shareholders, how to access, complete and lodge their election form for the scrip consideration, together with personalised proxy forms for the Scheme Meetings.

The Scheme Booklet is an important document and requires immediate attention. ASM Securityholders should read the Scheme Booklet, including the annexed materials, carefully in its entirety before making a decision about how to vote at the Scheme Meetings. If ASM Securityholders are in doubt about anything in the Scheme Booklet, they should contact their independent legal, financial, tax or other professional adviser.

For the Schemes to proceed, the Share Scheme must be approved by the Requisite Majorities of ASM Shareholders at the Share Scheme Meeting, the Option Scheme must be approved by the ASM Optionholders at the Option Scheme Meeting, and each Scheme must be approved by the Federal Court of Australia. The Option Scheme is conditional on the Share Scheme becoming effective, however, the Share Scheme is not conditional on the Option Scheme becoming effective.
